HI, I AM ORGÆNIC

HI, I AM ORGÆNIC

This introductory seminar is for those who want to get to know the organic philosophy as a working method.

- handcraft instead of product work
- snap-shot of real customer perception
- insights into the special nature of organic hair coloring and hair cutting
- palpable hair quality through organic hair care

A one-day introduction to a new approach of modern hairdressing service concepts and the precursor to the organic hair colouring or hair cutting path.

Further information available on request.
